Club House.

We have a purpose built Club house and grounds in Filton Avenue Bristol, BS7 0AT, where numerous sporting activities and social events take place.

A warm welcome awaits you at the club, with subsidised club bar prices, should you be able, or wish to visit.

We like to think that there is something for everyone.

There are many facilities at the Club House, including an excellent function room, which can be rented for private or "official" events. (photographs are on the web site)
Our Club Bar Manager is Dennis Willingham.

Whatever your requirements Dennis will do his very best to help.

I hope you can find something of interest to you, happening in the Area. If not, why not create something? We are constantly looking for new ideas for our members.

Finally, new volunteers are always welcome. If you can help, please let me know.
