

£10.00 SUBSIDY

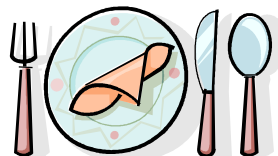

What's this?

It is difficult for the Area Association to organise events that appeal to all of its members. So to ensure that all members can benefit from the money the Bristol Area Association receives, a fund has been set aside to subsidise sports and leisure events that have **not** been organised by the Association or CSSC in general.

What can I do?

You can do anything you would like. Some examples of events are; plays, show, concerts, evening classes, dancing classes, sports lessons, team meals etc. You may claim once a quarter.

How do I claim?

Fill in the subsidy form and attach the receipt for the event to the form then post it to The Secretary Bristol Area CSSC Sports and Leisure, Filton Ave, Horfield, Bristol. BS7 0AT

NB please mark envelope "Private & Confidential"

What happens next?

Following receipt of your application you will be notified and advised if your application for subsidy was agreed.
