

I have circa 1949/50 five Bristol Bulldogs Speedway riders.

Those I am able to confirm are the signatures of;-

Dick Bradley, Eric Salmon, Jack Mountford and Geoff Pymmer.

There is one other that I am unable to make out. Below is a scan of the piece of paper with them on and it is the one at the very top highlighted by pencil asterisks (they will rub out).

I would be very grateful if you or any of your members are able to tell me who he is, alternatively should anybody be interested in making a sensible offer for them I could be tempted to sell.

The size of this lined piece of white exercise paper is 7cm x 10.5cm.

My name is Richard Leach, Reading richardleach88@btinternet.com
